

THE OFFICE OF THE CHAIRPERSON UNIVERSITY COUNCIL

Date: 5th August, 2025

RE: CONDOLENCE MESSAGE

The Management and Staff of Karamoja Peace And Technology University (KAPATU) Project, and the Catholic Lawyers Society International (CLASI), extend their deepest condolences to Her Worship Juliet Hatanga Harty - The Deputy Registrar of the International Crimes Division of the High Court of Uganda, and also a member of the Faculty of Peace and Diplomacy – KAPATU, upon the untimely death of her daughter, Thelma Abonyo Hatanga who was a medical student at Humanitas University in Milan, Italy.

Thelma's death has no doubt robbed the country and the Medical fraternity in general of a potential medical professional whose services and contribution to the nation will be greatly missed.

May the Almighty God strengthen you, family, and friends in this trying moment, and grant Thelma eternal peace.

"The Lord is close to the brokenhearted and saves those who are crushed in spirit." - Psalm 34:18

Yours Sincerely,

Twinobusingye Severino
